DINNER AT LE LOGGE

A delicious *Marchigiani* dinner at the Locanda Le Logge under a beautiful arched gallery in the medieval town of Urbisaglia

In the months of July and August, every Monday evening together with the restaurant [Locanda Le Logge](#) we organise a wonderful *Marchigiani* dinner. Locanda Le Logge is located in the prestigious Palazzo Brunelli, the medieval arcaded palace which has always represented the center of the life of Urbisaglia. You will be seated on long tables under the beautiful *logge* (an arched gallery) while enjoying a glass of wine and tasting typical *Marchigiani* dishes.

Monique and Robert of [Le Marche Explorer](#) will be there too and the dinner is a great opportunity not only to meet other people and enjoy some excellent food but it is also a great way to exchange experiences with other people discovering Le Marche!
